

Colorado's Nonpoint Source Program

Estella Moore, NPS Program Coordinator

I am interested in projects that implement Best Management Practices (BMPs) to improve water quality

Is there a watershed plan that addresses the nine elements of watershed planning?ⁱ

Watershed Planning
Contact the NPS Program about funding for watershed planning

Are water quality standards met?ⁱⁱ

Watershed Implementation Projects
Restoration Protection

Contact the NPS Program about funding for emergency/disaster support

I am interested in education and outreach projects ≤ \$5,000

Education /Outreach
Contact the NPS Program about Mini-Grant Funding
